MOVING? Please use form inside paper and give full information. Mailing list is run on Friday for following week.

EASIER SAID THAN DONE

Accordin' to th' stories goin' around in Washington these days th' Cahlah Cabinet & top aides hold a little book titled "Promises, Promises" in which are listed all of th' things President Jimmy told us he was gonna do to bring th' U.S. of A. closer to th' Utopia in which th' Govmint is gonna cure all our akes & pains, financial & otherwise and some of th' nosey folks in th' news media have been tryin' to get their hands on a copy. It art to be a quite sizable volume an' th' reason these snoopers want it is to try and figger out jst which of th' Promises may hold top priority in Mr. Cahlah's plans for us.

Replacement Cattle Prices Eased Last Week at Most Points, Weather Hurts

Kansas City, Feb. 28 (USDA) — National Feeder Cattle and Calf Summary: Week ending Feb. 25, approximately 181,000 this week, 183,600 last week, 182,000 last year. Feeder cattle and calf prices were steady to 2.00 lower at most important producing points with the exception of Kentucky, Florida and South Carolina steady to 1.00 higher.

A lack lustre slaughter cattle market and dry and dusting weather were factors in the decline in the western two-thirds of the United States. Winds from 90-113 miles per hour lifted topsail in eastern Colorado, Western Kansas and the Texas Oklahoma Panhandle and deposited it in the Georgia, South Carolina area.

There were many concerned cattle operators who are within two to four weeks of making a decision as to the dispersal of their outfits. Rain, snow and sleet gave some beneficial moisture from Montana to the Great Lakos.

Nutrition Panel To Hear Beef Industry Witnesses

St. Louis, Feb. 28 — Senator George McGovern said that his Senate Select Committee on Nutrition and Human Needs will continue its series of hearings on the relationship between diet and disease with a session on March 24th, which will feature witnesses from the beef industry. The witnesses will include representatives from the American National Cattleman's Association, as well as scientists and nutrition experts, who are expected to testify on their behalf.

In a letter to Senator McGovern, Wray Finney, President of ANCA, praised the announcement saying that his group appreciated the fact that McGovern, as Chairman of the Committee, intends to keep the record open so all sides of the controversy generated by a committee staff report issued earlier this year can be heard.

"The Committee listened to testimony," (CONT. ON PAGE 15)

Fort Worth Feeder Calf Show-Sales Set For 24th Year

Fort Worth Stockyards and the commission firms operating there have scheduled their 24th year of special stocker-feeder calf shows and sales for 1977 with seven sales, the first six on the last Thursday of May through October, and the

Cattleman Oppose Wheat Graze Out Subsidy Plans

Washington, Feb. 22 — The American National Cattleman's Assn. expressed its opposition to a proposal to pay a government subsidy to wheat farmers if they let livestock graze out part of their winter wheat acreage.

ANCA President Wray Finney, Ft. Cobb, Okla., cattleman, expressed the association's opposition in testimony before the House Agriculture Subcommittee on Livestock and Grain. The testimony was on the proposed Special Grazing and Hay Program for Wheat Acreage — introduced in the House by Congressman Keith Sobelesky, R-Ill., and in the Senate by Senator Henry Bellmon, R-Ok.

The bill would authorize the Secretary of Agriculture to pay wheat farmers \$1 per bushel on their average wheat yields if they let livestock graze out or produce green chop forage or hay from up to 40% of their allotted wheat acreage. Sponsors have said the legislation is designed to help both wheat and cattle producers at a time of lower wheat prices and more limited grazing and hay supplies because of drought.

"On the surface," said Finney, "HR-3367 has appeal because it would theoretically aid the drought-stricken wheat farmer while at the same time providing grazing for cattle which might otherwise have to be sold because of lack of forage. In practice, however, the program would present many problems."

"For the past three years, the cattle industry has experienced the worst financial losses in its history, largely because of a cyclical over-supply of cattle along with inflated costs. At this point, what we don't need is any incentive to increase beef production."

(CONT. ON PAGE 6)

Liquidation Expected to Continue at Slower Rate This Year, Adverse Weather, Drouth May Speed Selloff

Denver — U.S. cow slaughter is continuing at a rate which is putting the basic cow herd back into better balance with demand for beef, the American National Cattleman's Assn. has pointed out.

The nation's cow herd totaled 62.4 million head on Jan. 1, 1977 — down 4% from a year earlier and 8% from the peak in 1976, according to the government's latest cattle inventory report. This reduction in herd size resulted primarily from a record large cow slaughter of 11.6 million head in 1976 and 10.6 million in 1975.

The numbers reduction phase of the current cattle cycle is expected to continue (although at a slower rate) in 1977, and the cow herd may drop to about 51 million head on Jan. 1, 1978, it was noted by economists with CattleFax, the market analysis arm of ANCA.

However, they said, if severe drought conditions continue in mid-western and western pasture and range country, there could be further severe herd liquidation, and the basic cow herd could decline even further this year.

At this time, CattleFax is expecting a 9 million head cow kill in 1977. In January, the total was 920,000 head, down 13% from a year earlier. The February total is estimated at 800,000 head, down 5% from the same month in 1976. While less than the high levels a year earlier, the 1977 monthly cow slaughter totals so far still are relatively large.

(CONT. ON PAGE 15)

Fed Cattle, Butcher Hogs Lower at Terminal Markets Monday, Receipts Up

Around the major market circles Monday fed cattle receipts were slightly above a week ago and hog numbers were higher by about 12,000 head. Labor trouble due to strikes had closed numerous packing houses.

Prices were sharply lower on both fed cattle and hogs at all points. Price trends, quotations on choice and prime steers and heifers and on the mixed good and choice grades and on U.S. 1-3 hogs and weighing generally in the 200 to 270 pound range included:

St. Paul cattle steady, steers 38.00-38.75 and 35.00-36.00; heifers 34.00-35.50 and 33.00-34.00. Hogs 50-1.00 lower at 38.00-39.00. Sioux Falls steers 1.00-1.50 lower, heifers 50-75c lower. Steers 35.50-36.25 and 34.75-35.50; heifers 34.25-35.00 and 33.50-34.25. Hogs 1.25-1.50 lower at 38.00-39.00.

St. Louis fed cattle 80-1.00 lower, steers 35.50-37.25 and 34.00-35.75; choice heifers 33.50-35.00. Hogs 50-1.00 lower at 38.50-39.75. Sioux City fed cattle 1.00-1.50 lower, steers 35.00-37.00 and 34.00-35.00; heifers 34.00-35.25 and 33.00-34.00. Hogs 50-75c lower at 38.00-39.50. Kansas City cattle weak to 50c lower, choice steers 34.50-36.50, some 1635 pounds 5's down to 31.00. Choice heifers 33.50-34.50. Hogs 50-75c lower at 38.50-39.50.

VITALITY
you need in your horses
with
EVERGREEN
HORSE FEEDS!**

Match the feed with the need . . .

HALTER QUARTER-HORSE RATION
Finest feed money can buy! . . . High energy for
your working horses or valuable nursing mares.
Pays off in performance and good looks. An ex-
cellent show-horse feed. Needs no supplementation
except good quality grass hay or pasture.

COMPLETE SUGARED HORSE PELLETS
Saves valuable space and the handling of bulky
hay when trailering your horses, because it's a
complete ration. Has added vitamins and minerals.
Use with additional grain to balance energy re-
quirements of harder working horses.

"TRIPLE A" HORSE PELLETS
Power-packed, versatile feed . . . high energy
without sticky molasses. All grains are steamed
and cracked . . . easily digested, even by young
colts . . . does more for all horses.

COLT BOOSTER RATION
Gets foals going on their own earlier, saves pull-
ing down the mare. Colts like it! Clean it up,
good. Can be offered at first signs of readiness
to eat.

SUGARED DEEF RATION
Top economy in an all-purpose sweet feed, plus
the protection of a guaranteed Vitamin A level.
Maintains horses of all breeds and sizes. Also
excellent for cattle, calves, sheep and goats;
saves keeping many different feeds.

HORSE BOOSTER RATION
An all-purpose horse feed designed for horses do-
ing light or medium work, with steamed and
rolled grains, molasses, minerals and vitamins.
For harder working horses, top dress with HI-Pro
Concentrate.

Reynolds L&C Sets Simmental Bull, Heifer Sale March 12

Pittsburg, Texas — Don and Alice Reynolds' Reynolds Land & Cattle Co. will hold a performance tested Simmental bull and fancy heifer sale Saturday, March 12, 1977, at 12:30 p.m., at their ranch on Farm Road 993 south of Pittsburg.

You Can Get Into Limousin The Right Way

To make room for higher percentage cattle on the way, Dameron Land and Cattle Company is presenting for sale a special offering of 180 half Limousin cows that will calve between April 1 and May 31.

Here is the opportunity to participate in one of the nation's most prestigious cattle breeding programs. All of these cattle are by Diplomat, Espoir CIMB, Eclair, Dandy and Dandin C. All are bred to Eclair, Espoir CIMB, Gendarme or Enterprise. All are between the ages of three and five years, and all cows in each age group are within 60 days of age.

These are all proven producers. We have kept 165 of their three-quarter daughters in our replacement herd. All were bred and raised in the Dameron program, and each carries the DX herd prefix. There are no bought cattle in the group. We have culled 37 percent of our cowherd, and this offering constitutes 41 percent of the top 63 percent of our halfbloods.

Also available is a special offering of 40 three-quarter cows, all three years of age, bred the same way and carrying the same service.

For more information, write or call Bill Dameron, 112 West Rainbow Boulevard, Salida, Colorado 81201, office 303/539-6155, home 303/539-2526.

Double Check Farms Sells Pinzgauer Production Sale At Terrell March 19

Terrell, Texas — Double Check Farms of Argyle, Texas, has announced the First Premier Pinzgauer Production Sale to be held Saturday, March 19, 1977.

Sale time is 2 p.m. at the J-Ben Cattle Sales Facility on FM 148 one-half mile south of I-20 at Terrell, Texas.

Double Check Farms, owned by the Finney family, is a pioneer breeder of Pinzgauer cattle in the Southwest. Chuck and Ken Finney have been active in the Pinzgauer breed associations and have pro-

duced Pinzgauer exhibits throughout the Southwest.

Selling in this first production sale will be a pureblood Pinzgauer bull and a pureblood heifer.

A bred 3/4 Pinzgauer heifer to calve in May, 1977 will also be sold. This should be the first 7/8 Pinzgauer in the United States.

Also selling are 6 open 3/4 Pinzgauer heifers, 8 - 3/4 blood Pinzgauer pairs, 25 bred 1/2 blood cows and heifers, 15 open 1/2 blood heifers and 3 - 3/4 blood, perform-

ance tested Pinzgauer bulls.

Buyers are asked to bring their semen jugs to this sale. Two ampules of Alamo semen will be given with each female in the sale. Alamo semen will also be available at the sale.

A pre-sale get-together will be held at 8 p.m., March 18 at the J-Ben facility. At 11 a.m., March 19, coffee will be served at a cattle preview. Lunch and a social hour will be held at 12 noon prior to the 2 p.m. sale.

Auctioneer will be Stanley Stout. For sale catalogs contact Double Check Farms, Rt. 1, Argyle, Texas 76226, 817/466-2685.

FOR 94 YEARS

You Can Participate In One Of America's Most Talked About Limousin Breeding Programs

No place else in America can you buy 180 half-blood daughters of Diplomat, Eclair, Espoir CIMB, Dandy and Dandin C at one place, at one time, out of the same herd, all with the same herd prefix, all between three and five years of age, and all bred to calve within 60 days of each other.

This is the kind of meticulous breeding program you find at Dameron Land and Cattle Company. All of these cows are out of our strictly culled and highly selected production herd and are fully guaranteed to the buyer's satisfaction.

These cattle are bred to the top bulls in the Castor line, and all will calve between April 1 and May 31; 157 or 88 percent will be calved out by April 30.

As a special offering, we are also presenting 40 three-quarter cows out of the same bulls, bred the same way, and all will calve out in 38 days beginning April 1.

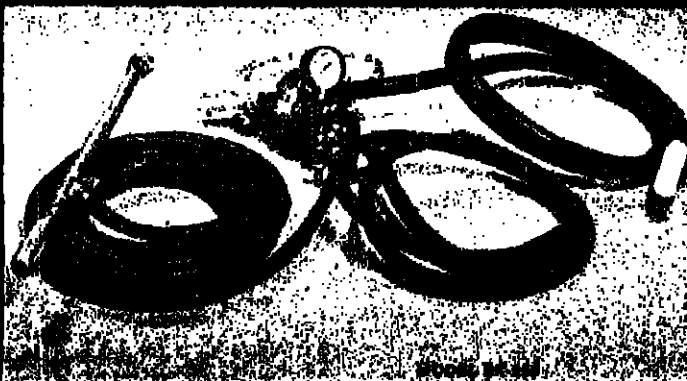

These are two exceptional groups of cattle that are being moved out of our production herd to make room for higher percentage cattle in our program. This is a rare opportunity for the serious Limousin enthusiast to obtain either a complete herd or the nucleus of one, all performance and production tested and proven — a ready made breeding program.

For more information, write or call Bill Dameron, 112 West Rainbow Boulevard, Salida, Colorado 81201, office 303/539-6155, home 303/539-2526.

Cattlemen Oppose Wheat Graze Out Subsidy Plans

(CONT. FROM PAGE 1)

— that is, to encourage wheat farmers who have not been in the cattle business to buy cattle in order

to take advantage of the government subsidy.

"Another problem is that this would be a selective subsidy, benefiting just some producers in some areas but hurting others. Unless a producer is engaged in both wheat and cattle operations, he can realize no benefit from the proposed program. A man who is only in the cattle business (for

example, a cattle producer who operates on native pasture, or a feedlot operator) receives no subsidy or any other benefits. The wheat farmer, in order to receive the subsidy, must purchase cattle.

"Because of this discriminatory subsidy, the free enterprise nature of the cattle industry would be dealt a blow. If some cattle buyers receive a government subsidy, they can afford to pay more for stocker cattle, artificially pushing up prices in the market place. When the farmer or rancher who does not have wheat operations tries to buy cattle, he must pay the artificially inflated price also.

At first glance, said Finney, the possibility of higher prices appears to be of benefit to cattle producers. However, this would be very short-lived price strength. As soon as the wheat fields were grazed out, the cattle would be sold, adding to a supply problem. Cattle usually are sold off grazed-out wheat in May or June. If weather continues dry, the ANCA president noted, movement of those cattle will coincide with sales of cattle off other ranges because of drought — compounding price problems.

Most cattlemen believe in the free enterprise, competitive market," Finney told the Congressmen. "The market place should dictate the economic feasibility of grazing or buying wheat — free of any subsidy program. We ask that you not enact KH-8887 or any similar legislation."

Live Oak County Beefmaster Sale Set March 20

Three Rivers, Texas — The 2nd Annual Live Oak County Beefmaster Sale will be held Sunday, March 20, 1977. Sale time is 1 p.m. at the Live Oak County Livestock Show Grounds on Hwy. 281 between Three Rivers and George West, Texas.

This BBU approved offering includes 50 bulls and 100 females selected for quality.

The sale is sponsored by the Live Oak County Beefmaster Breeders Assn., President Joe Yarbrough. For information contact the sale management, Reyes, Reyes and Elder, 118 West Nakoma, San Antonio, Texas 78216, 612/349-2186, or 2706 University Drive, Fort Worth, Texas 76109, 817/921-8788.

National Feeder

Pig Summary

Kansas City, Feb. 28 (USDA) — National Feeder Pig report this week covers 45,000, last week 47,000, last year 48,000. Pig prices ranged steady to 10.00 per head higher, largely 2.00-6.00 higher. However, Arkansas auctions and Sioux Falls were steady to lower. Per cwt. prices in the Southeast ranged from steady in Alabama to 4.00-10.00 higher in Kentucky.

DOUBLE CHECK FARMS

Dear Friends, We want to take this opportunity to personally welcome you to our "Premier Pinzgauer Production Sale" and to have you share in our Pinzgauer experience.

As pioneer American Pinzgauer breeders, our faith in the Breed has grown even stronger as the Breed continues to set new performance records among all U.S. cattle which is the positive indicator that Pinzgauer will definitely improve future U.S. beef production. We are extremely proud of our role in Pinzgauer production and promotion.

The cattle selected for this sale are from a full spectrum of foundation breeds and will reflect greatly on our reputation as Pinzgauer breeders. We are offering which we feel is an "outstanding" set of cattle, striving for a reputation as "outstanding" Pinzgauer breeders.

We are making every effort to see that your attendance is enjoyable, educational and profitable for you. Should there be any way we can be of assistance — please let us know.

Sulphur Springs, Texas—A special Stocker Cow Sale will be held at Jones Livestock Auction Saturday, March 12, 1977. Sale time is 12 noon at the sale facility located 4 miles south of I-30 on Highway 19 at Sulphur Springs.

Selling are 824 head of stocker cows including a top offering of

210 quality Hereford cows, mostly with calves at side by top Hereford bulls. There will be 180 Charolais and Charolais cross cows, 100 Brahman cross cows including tiger stripes, red whitefaces and blacks, and 100 mixed Brahman cows.

Also selling will be 40 mixed Brahman cows, 70 bred and open Hereford heifers, 100 bred and open Brahman cross heifers including some straight F-1, and 14 Registered Angus cows to calve

Marchigianas Average \$1,959 In Houston

Houston — In the American International Marchigiana Society's managed by the Bill Co. Sales Management Service of Valley Mills, Texas, 28 lots sold for \$54,860 for an average of \$1,959.

A half-interest in a purebred bull consigned by Markey Distributors, Tyler, sold to PP&S Cattle Co.

before April 1. There will be 20 outstanding 2-year-old Registered Hereford bulls in the sale from Walter Graham, Happy Hereford Ranch, Happy, Texas.

All cows that do not have calves will be pregnancy examined. All cows will be Bangs tested and aged. All bulls will be Bangs tested and fertility tested.

For information contact Jones Livestock Auction, Box 815, Sulphur Springs, Texas 75482, Marvin Jones, 214/885-7188; Jack Robinson, 214/768-5555, or Ray Martin, 817/498-1934. Sale barn phone numbers are 214/485-2576 and 485-3401, Shirley Exchange.

Beefmasters Average \$2,405 In Houston

Houston — New Beefmaster breed records were set in the sale held in conjunction with the South Texas Beefmaster Futurity Show & Sale at the Houston Livestock Show Feb. 25. The sale was managed and auctioned by Bert & Ruben Reyes, San Antonio, and Henry Elder, Fort Worth.

The 47 lots of cattle sold for \$113,160 for an average of \$2,405, a Queen City, Texas, for \$6,500, giving the bull a value of \$18,000.

The sale was topped by a purebred heifer consigned by Dr. Everett F. Treadway, Houston, that was purchased by Bud & Kelly Lester, Lindale, Texas, for \$20,000.

Two bred three-quarter blood heifers sold for \$8,000 for an average of \$3,000; two open three-quarter blood females sold for \$2,235 for an average of \$1,117.50. 13 bred half-blood females grossed \$13,600 for an average of \$1,046.15; and nine open halfbloods grossed \$8,626 for an average of \$960.

new record average for a Beefmaster

The 13 bulls grossed \$37,716 for an average of \$2,900, with the top bull, consignment from Fred and Betty Quinn, San Antonio, going for \$18,000 to Cherokee Beefmasters, San Antonio.

The 34 females grossed \$15,500 for an average of \$2,220, with two lots sharing the female top price of \$5,000 each, one consigned by Armando Salazar Beefmasters, Kingville, and the other by L. L. Armstrong's Keystone Beefmasters, San Antonio, that was purchased by L. L. Bar Beefmasters, Victoria, The Keystone consignment had earlier been judged grand champion female of the Beefmaster show by Wayne Miller Beefmasters consigned the reserve champion female purchased by Miranda Radebe \$3,300.

The five-year-old returning first day at school told his talk. "I'm not going back, I can't read, I can't write, and they won't talk."

S. W. Farm Show Will Feature Tractor Pull At Fort Worth, March 11 Thru 13

Tractor pullers from Texas, New Mexico, Oklahoma and a dozen other states will compete for over \$28,000 in prize money March 11-13 in Fort Worth at the Southwest Championship Tractor Pull.

The pulls will be held each evening following the Southwest Farm Show which will be open each of the three days from 10:30 a.m. to 5:30 p.m., according to Farm Show manager, Harry Bryant.

Beginning at 7 p.m. on Friday and Saturday, and at 8 p.m. on Sunday, the pulls will be held in the 11,000 seat Tarrant County Convention Center.

The Farm Show will be held in the Convention Center Exhibit Hall and in large circus-type tents west of the center.

More than 110 displays of farm

and ranch equipment will be on hand valued at over \$3½ million.

The Farm Show is free and open to the public.

Free registration passes for thousands of dollars worth of door prizes are available at every farm equipment dealer and at the Farm Show entrance.

"The interest in tractor pulling has come a long way since the first pull in '72 when we had one Texas puller with the others imported from the Mid-West," Bryant said.

He pointed out that there are over 800 pullers in Texas now.

"Practically all our pullers are real farmers who build and compete with their tractors as a hobby," Bryant said.

All seats for the tractor pulls are reserved and are available through Amusement Ticket Service in Fort Worth.

ANCA Members Vote To Approve Merger

Atlanta, Ga., Feb. 4 — Members of the American National Cattlemen's Assn. meeting in final convention session, voted in favor of the proposed consolidation of ANCA and the National Livestock Feeders Assn.

The same proposal will now go before the members of the NLFA, meeting in St. Louis, Feb. 17-18. If NLFA members also approve the plan, the new organization — to be known as the National Cattlemen's Association — will become operational Sept. 1, 1977.

The ANCA members voted by a 98% majority to adopt a resolution approving a plan of procedure for the proposed consolidation. The plan spells out all details of the proposed new organization.

The new commodity group would represent approximately 275,000 professional cattlemen in all segments and areas of the beef cattle industry — the largest single part of American agriculture.

Don't stand in her way if your wife wants to learn how to drive.

ATTENTION Welders-Farmers
Have you ever as a professional welder of steel just with a 50 degree elbow and safety pins with the welder's shape, simple to use — just mark, cut, weld — no torching required. Make your own auto about 100 times from the Welder's shape patterns. Now \$10.00 per pattern. 11 inches and 13 inches. Item 11 through 13 inches. \$12.00 per pattern. Send \$1.00 with check or money order.

CULL — CULL — CULLED?
Now cull your herd 10% more, and replace your bulls with good 3/4 Chianina bulls (one to each 30-40 cows) and still produce more beef and money per year plus those great three-eighths Chianina replacement heifers for your future herd.
We have 3/4 bulls, service age down to calves, for sale.
We steered over half of our calves; saved just the best for your bulls. Come look before you breed another cow.

SOUTHWEST FARM SHOW

Style Show Is S.W. Farm Show Feature March 11-13

Fort Worth — Fashion minded homemakers from across the Southwest will compete for a host of prizes and trophies during the Natural Fibers Fashion Review in Fort Worth on March 12, according to Jean VanLone, coordinator of the fashion show and associate director, Natural Fibers and Food Protein Commission.

The J. C. Penney Company is providing the prizes for the winning entries. Tom Morgan, the company's regional public relations manager, says the two third place contestants will each receive \$50 gift certificates. Second place finishers will get \$75 certificates, while the two division winners will receive \$100 gift certificates.

Winners also will receive trophies, and the Grand Award winner will be presented with a lovely piece of engraved silverplate. Mementoes will be given to 10 honorable mention contestants.

The style show is held as a part of the Southwest Farm Show and Championship Tractor Pull, March 11, 12 and 13. It is co-sponsored by The Progressive Farmer magazine, which will present trophies to the winners.

Those eligible to enter are members of Young Homemakers of Texas and Oklahoma; wives of Young Farmers; wives of Southwest Tractor Pulling Clubs; and wives of members of the International Flying Farmers Association.

Garments must be made out of part natural fibers — 50 per cent cotton and wool, and 10 per cent mohair, VanLone pointed out.

The style show is free and open to everyone and will begin at 4 p.m., Saturday, March 12, in the Tarrant County Convention Center.

People used to settle their problems over coffee and cigarettes. Now that's their problem.

The forms will also be available at the Farm Show entrance.

Southwest Farm Show At Fort Worth March 11

With a thundering roar and gleaming exhibits of \$8 million of farm machinery and equipment, the Southwest Farm Show and Championship Tractor Pull will open for a three-day run, March 11 in Fort Worth.

Housed in the Tarrant County Convention Center, the show doors will open at 10:30 a.m. and close at 5:30 p.m. each day, March 11-13, according to Harry Bryant, Farm Show manager.

This will be the largest array of farm machinery we have ever had," Bryant said. He pointed out that the Convention Center exhibit hall, over 100,000 square feet, has been filled and additional thousands of square feet of exhibits have moved to large tents across the street west of the Center.

Although the Farm Show is free and open to the public, Bryant urged spectators to go by their local implement dealer for free registration forms for hundreds of dollars worth of door prizes to be given away during the show.

One good reason we seem unable to solve the puzzle of the world's problems is because a peace is missing.

TEXAS HEREFORD NEWS

Herrin Honored At Houston Hereford Show

Houston — The R. T. "Bob" Herrin Register of Merit Hereford Show was held Feb. 25 at the Houston Livestock Show, named after Herrin to recognize his work in improving the Hereford breed. Herrin is the International Ambassador for the American Hereford Association.

"I think the Hereford breed has come a long way in the 100 years it has been in the United States and I'm sure it will go even further in the next 100 years," Herrin said.

Roger Stuber, president of the American Hereford Association, said the Hereford breed was imported into the United States in about 1860 from Herefordshire, England.

"The Hereford breed is the most popular cattle breed in the U.S. and has the largest beef registry in the world," Stuber said.

The Grand Champion Female was awarded to "AA Miss Advance 315," owned by Arbutnot Herefords of Haddam, Kan. "AA Miss Advance

315" is 28 months old and weighs 1250 pounds. She is the 1977 grand champion heifer of the Ft. Worth "Jack Turner Register of Merit" Show and the 1976 reserve grand champion heifer of the Kansas State Fair.

Reserve grand champion went to "GK Big N Miss," owned by Glen Kirk farms of Mayville, Mo. "GK Big N Miss" is 21 months old and weighs 1180 pounds. She is the 1977 reserve champion of the Missouri State Fair.

Grand champion bull went to "Great Northern 553," owned by Wiesse and Sons of Manning, Iowa. "Great Northern 553" is 22 months old and weighs 1700 pounds. He was the 1976 reserve grand champion at Tulsa and at Louisville.

Reserve grand champion went to "Willow Flat Lad 13F," owned by Quatrok Cattle Co., Ltd., "Willow Flat Lad 13F" is 21 months old and weighs 2100 pounds.

Rod Ogren of Marcus, Iowa judged the show and said he was encouraged to see the increased size and trim condition of the animals in the show.

Gulf Coast Hereford Sale

Columbus, Texas — In the Gulf Coast Hereford Association's sale here Feb. 11, 55 bulls sold for \$36,790 for an average of \$668 and six heifers for \$2,460 to average \$410.

Topping the sale at \$1,500 was two-year-old bull consigned by Millcreek Farms, Industry, Texas, that was purchased by C. B. Everett, Eagle Lake. The bull had been named champion in the show before the sale.

JDQ Hereford Farm, Burton, consigned the second high selling bull, one purchased by Wakenole Ranch, Brenham, for \$1,300.

Two bulls went for \$1,200 each;

Hill Country Assn. Hereford Sale Set March 12

The Greater Hill Country Hereford Sale will be held on Saturday, March 12, 1977, at 1 p.m. at the Fairgrounds, Fredericksburg, Texas. This Spring Sale is sponsored by the Hill Country and Blanco Hereford Associations, according to Joint Committee Chairman J. D. Rutledge III, of Fredericksburg, Texas.

Ninety-three registered horned Herefords have been consigned to this sale from 25 reputable Hereford breeders. They were selected for frame size, musculine, top bloodlines and choice quality.

Included are sixty bulls ranging in age from 16 to 30 months and thirty-eight choice replacement heifers, of which twenty-eight are bred. Eight heifers will feature this service of Grand Slam, the \$200,000 1976 Denver Champion Hereford bulls.

Buyers may avail themselves of (CONT. ON PAGE 13)

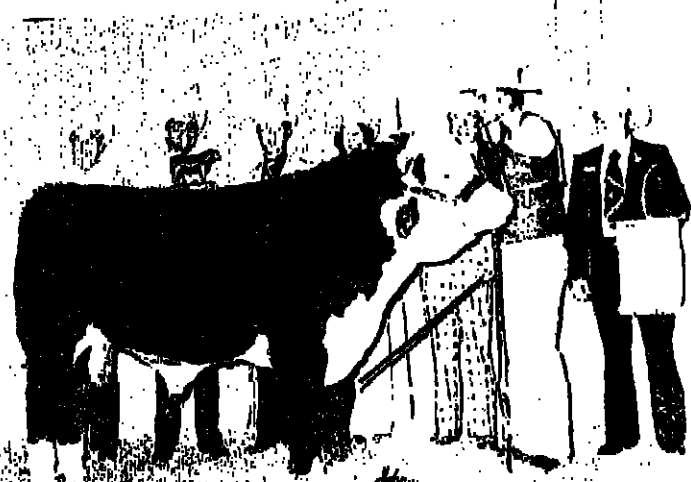

one, the reserve champion of the show consigned by R. T. "Bob" Herrin Herefords, Houston, that was purchased by Bill Terrell, Navasota; and the other a consignment of Rocking M Ranch, Gliddings, that was purchased by H. W. Rolach, LeGrange. Millcreek also consigned the top selling female, one that went for \$500, and Rocking M Ranch consigned three heifers that sold as a group for \$400 each.

Angus Average \$816 At Houston Sale

Houston — The Texas Angus Association's "Top-of-Texas" sale at the Houston Livestock Show Feb. 23, had a gross of \$30,220 for an average of \$816 on 37 lots of females.

A capacity crowd included buyers from Texas, Indiana, Georgia and Oklahoma for the extremely good set of cattle.

Burrows, Schulenburg, Texas, consigned the top selling female that went to Premier Angus, Cloverdale, Ind., for \$2,500.

The sale was managed by Dale Overpeck of Fort Worth, secretary of Texas Angus Assn.

Chianina Average \$2,503 In Houston

Houston — In the Texas Chianina Association's sale at Houston Livestock Show had a gross of \$116,190 on 46 lots for an average of \$2,503.

Stanley E. Stout, Linwood, Kan., was auctioneer and Bill Childers, Temple, was sale chairman.

Summary			
No.	Type	Total	Avg.
8	Fullblood bulls	17,900	5,897
1	7/8ths bull	1,950	1,950
8	Fullblood females	68,050	7,258
8	7/8ths females	5,800	1,787
4	7/8ths sales	7,800	1,950
22	Bred 3/4ths	21,125	890
5	Open 3/4 females	8,025	605

Topping the sale was an Italian fullblood female, Beaufort Carla calves Jan. 3, 1976 and consigned by A. J. Hrusak Jr.'s Circle "X" Chianina Ranch, Rock Island, Texas, that sold for \$10,000 to Frank Hill, Houston.

Leon Tanner, Terrell, and Greenhaven Farm, Forney, consigned the top selling bull, an Italian fullblood, that went for \$6,500 to the 74 Ranch, Campbellton.

The Italian fullblood bull, Fonzl, consigned by Childers Land & Cattle Co., Temple, sold for \$8,400 to Terry Ranch, Mart, Texas.

Otto Moser, DeKalb, Texas, consigned the Italian fullblood bull, Purple Prince 25F, that was purchased for \$5,000 by Plum Creek Ranch, New Braunfels.

Chianina East of Massachusetts, paid \$1,950 for a seven-eighths bull

consigned by Kabars Ranches, Kaufman, Texas.

Polled Santa Gertrudis Avg. \$2,648 In Houston

Houston — In the Polled Santa Gertrudis Association's second annual All-Polled Santa Gertrudis Sale at the Houston Stock Show Feb. 28, the 28 head sold for \$88,850 for an average of \$2,648.07, with the seven bulls totaling \$30,650 to average \$4,378.57 and the 19 females \$58,200 for an average of \$2,010.63.

Average on the bulls was about \$700 per head higher than in the first All-Polled sale held at the Houston show last year.

Mid-Coast Santa Gertrudis Average \$2,897 In Houston

Houston — The Mid-Coast Santa Gertrudis Association's "Super Sale" at the Houston Stock Show grossed \$101,400 on 35 head for an average of \$2,897.14 Feb. 26.

Eight bulls grossed \$39,000 for an average of \$4,875, and 27 females \$62,400 for an average of \$2,311.11.

A bull consigned by Joe Frenley, Duncan, Okla., topped the offering with a bid of \$9,500 by Grandessa Ranch, Tulsa, Okla.

Grey Rocks Ranch, Selma, Ala., consigned the top selling female, one purchased by Nine Bar Ranch, Cypress, for \$5,000. The Nine Bar also bought a bull consigned by Dan Wendt, Bay City, for \$4,800, in partnership with Alice Sneed West's Lucky 7 Ranch at Madisonville.

Chaparro Ranch, La Pryor, bought a female consigned by Briggs Ranches, San Antonio, for \$3,000.

Dick Welch, Houston and Beaumont, paid \$1,550 for a female consigned by GM Farms, Gilmer.

National Brahman Sale Averages \$5,197 At Houston Show

Houston — In the National Brahman Show and Sale sponsored by Texas Brahman Association at the Houston Livestock Show Feb. 24, the 21 head grossed \$109,180 for an average of \$5,197 making it the second Brahman sale in South Texas during the week of Feb. 21-28 in which averages exceeded \$5,000. The earlier one was at Leslie Hudgins Brahman dispersal at Hungerford, Feb. 21 where the averages on 93 head were \$5,000.

At the National Sale in Houston, three bulls sold for \$32,200 for a \$10,734 average, and 18 females grossed \$76,980 for an average of \$4,219.

Approximately 800 persons attended the National sale and buyers were present from Georgia, Louisiana, Arizona, Texas, and Guatemala and Argentina.

Topping the sale was a bull consigned by Dr. Gonzalo Gonzalez of Monterrey, Mexico, that was purchased by Elio Cohen of Los Gatos Ranch, Buenos Aires, Argentina.

The high selling female was consigned by Maitrot-Thomas Cattle Co., Raymondville, and went to Humberto Arriaza, of Guatemala, for \$8,000.

Ike Hamilton, West Monroe, La., was auctioneer.

Some of the other sales included: A BBB Ranch, Chandler, better to Lynn Vineyard's Rainbow Ranch, Wharton, for \$3,500; and a Cherokee Ranch, Cherokee, Texas, to Bruce Lowery, Fort Worth, for \$5,000.

Southwest Texas Directs

Wood, Refugio, consigned a cow purchased by LaPaloma Ranch, J. J. Brumitt, Conroe, for \$1,800.

Waco, Tex., for \$3,500.

Kimbell MEDICATED FEEDS ARE MONEY MAKERS

It goes without saying that no program or type of feed or guarantee a profit on a particular set of livestock. However, it is possible to guarantee that with proper management a feeding program will make livestock more valuable — better money makers.

KIMBELL Medicated Feeds Are Designed to Improve Animal Health and Balance Nutrition

This type of program improves the appearance, gives livestock the "good doing" look — this convinces your buyers they are "worth more."

This type of program actually makes your livestock "do better" — control of disease and parasites adds pounds — they are "worth more."

Get complete information on

Kimbell MEDICATED FEEDS... THE MONEY MAKERS

Kimbell 37% RANGE BLOCK (Medicated)

gives needed supplementation to make gains and hold them. Positive control of horn flies and internal parasites.

Kimbell 20% RANGE BLOCK (Medicated)

prevents anaplasmosis, also aiding in prevention of bacterial pneumonia and shipping fever (hemorrhagic septicemia) and reduces losses due to respiratory infections (shipping fever complex), aids prevention of worm and bacterial diarrhea. Contains Aureomycin.

Kimbell 32% (equivalent) Cattle Supplement

(Medicated) A better Pre-Conditioning supplement, aids in maintaining weight gains in the presence of respiratory disease, such as shipping fever. Contains Aureo. \$7.00.

Kimbell Pasture Supplement (Medicated)

In 20% to 30% levels, to fit pasture conditions, will keep them in top shape for breeding or selling. Positive control of horn flies and internal parasites.

Farmers Opposed To Big Labor's New Shopping List

(CONT. FROM PAGE 1)

"According to press reports, the AFL-CIO wants an immediate 23% increase in the minimum wage with a built in escalator clause: a 35-hour work week with workers paid for 40 hours; double-time for overtime; repeal of the Right-to-Work laws in 20 states; all public employees and agricultural workers brought under collective bargaining laws; and legalized secondary boycotts in the construction industry.

"To all of this we say 'no.' We believe most Americans are ready to call a halt to the monopoly power of organized labor.

"We call upon Americans in all walks of life to join those of us on the farms and ranches of this country — to get in touch with members of the Congress and with President Carter to let them know that it is time that the least interest of the general public be taken into consideration, rather than the demands of a special interest group that represents only a fourth of the nation's working people."

Adoption of a 1977-78 Policy Statement, with recommendations on national and international food and trade policy will be the major official business of the convention.

Amarillo Monday

Amarillo, Feb. 28 (F-S) — Receipts 6,300, on hand for Tuesday 3,300. Feeder steers under 500 lbs. about steady, over 500 lbs. 1.00-2.00 lower. Hogs 1,800: 1.00-1.50 lower. U.S. 1-2 195-245 lbs. 39.50-39.80. U.S. 1-3 200-250 lbs. 38.50-39.10. U.S. 2-3 210-300 lbs. 37.25-38.25. U.S. 2-4 225-312 lbs. 35.00-37.00. Sows: 1.00-2.00 lower. U.S. 1-3 300-685 lbs. 32.00-36.20. Boars: All weights 28.00-27.10.

Feeder Pigs: 181 head. 2.00-3.00 higher. U.S. 1-2 48-150 lbs. 38.50-48.00. U.S. 1-3 38-180 lbs. 35.00-36.00.

There's one thing to be said for Jimmy Carter: It's hard to imagine him biting off more than he can chew.

Nutrition Panel To Hear Beef Industry Witnesses

(CONT. FROM PAGE 1)

mony earlier this year in which some nutrition and health experts recommended that we reduce our dietary intake of sugar, salt, and fats," McGovern said. "The Committee report, based on that testimony and issued under the title 'Dietary Goals For the United States,' was taken by some segments of the beef producing industry to mean that we should eat less meat," the South Dakotan said.

"I view the testimony as a plea for consuming more 'lean' meat in proportion to our overall consumption. In the final analysis the market will determine the type of products that Americans wish to eat and I think our Committee can provide a forum to shed light on all sides of these questions," McGovern said.

The Senator said his discussion with cattle producers indicated that they too are interested in producing high grade protein with less waste in the form of fat that must be trimmed before consumer cuts are marketed.

"Earlier this month I announced that the Agriculture Committee would be holding hearings in late May to look into the current economic problems facing cattle producers. Many of them believe that by marketing a leaner animal that is still palatable to the shopper we can eat our way out of the current market difficulties. I continue to believe that red meat is still an essential part of

the American diet and I welcome the opportunity for the members of the Nutrition Committee to hear the recommendations that will be offered in our session of the 24th of March.

Cow Population

(CONT. FROM PAGE 1)

returns. If production costs continue to climb, if per capita demand for beef continues to lag behind historic levels, and if population growth slows, a slower average rate of growth in cow herd size may be required in future years.

One thing to keep in mind, ANCA said, is that the beef supply from a given size cow herd does not reach the market until 1 1/2 to 2 years after birth of the offspring. Thus, the recent reductions in cow herd size will not be fully felt in the market place until 1978 and 1979 — just as the large 1974 calf crop was not fully reflected until 1978 (when there were record large beef supplies as a result of herd liquidation as well as the record large calf crop two years earlier).

Cattle-Fax said that, based on current economics, annual per capita beef supplies may have to drop to around 115 lbs. or less before industry

the American diet and I welcome the opportunity for the members of the Nutrition Committee to hear the recommendations that will be offered in our session of the 24th of March.

Finney went on to point out that, during past cycles, beef production was increasing not just because of larger cow numbers but also because of significantly rising output per cow. The increase per cow resulted from (1) a shift from dairy to beef cows; (2) an increase in fed beef as a proportion of the total; (3) decreased calf slaughter and more feeding out of calves; (4) improved calving rate; (5) improved technology and management.

In the foreseeable future, he said, these same gains in beef output per cow are not likely. Therefore, beef production will depend more on cow herd size, and it will be possible to monitor herd size and longer range supply trends more accurately.

returns will be generally favorable (although reduced feeder cattle numbers could put many producers back in a break-even or profit position by late 1977 or early 1978).

Prospects now are that per capita supplies will decrease from 123 lbs. (carcass weight) in 1976 to about 121 lbs. in 1977 and 116 lbs. in 1978, with a further decline in 1979 and perhaps 1980, before cyclical increases in per capita supplies resume.

Finney went on to point out that, during past cycles, beef production was increasing not just because of larger cow numbers but also because of significantly rising output per cow. The increase per cow resulted from (1) a shift from dairy to beef cows; (2) an increase in fed beef as a proportion of the total; (3) decreased calf slaughter and more feeding out of calves; (4) improved calving rate; (5) improved technology and management.

Stuph & Thangs

(CONT. FROM PAGE 1)
with the Presidential Edict to make disclosures of personal matters, including financial data, and while they are blaming the delay on the FBI to check out these people, this story is startin' to generate some doubts.
Natchery, one of the Big Jobs the new president has is Immuage Buildin'. For instance, the other day he ordered

Cabinet Members to read ALL the regulations their Bureaucrats issued. A good idea, except they would have no time for any thing else. This has been eased to ALL IMPORTANT regs. we are now told.
It would appear the President's order to halt all of them Water Projects is more of an effort on his part to demonstrate who is runnin' the show, than it could possibly be a serious threat to shut off the water and depopulate areas of the West where without that water the country

will revert to somethin' close to actual desert conditions.
Pres. Cabhat has received some pointed warnings from powers in Congress that they expect due respect and intend to legislate their way and that Big Trouble is in store for him unless he walks the line. His indication of intent to take the issues "to the people" in the old Fireside Chat style, has some people in Congress really worried. It'll sure be interestin' to watch!
One of the things we was always

purty ignorant about was mathematics. However, we figger we will git smartened up before long and be able to turn our minuses into plusses as we watch The President & Congress balance the federal budget by spendin' \$80 or \$70 billion more than the Govmint income amounts. We always wound up farther in the hole when we run our personal finances that way, but when they show us how to spend our way to wealth & happiness, that'll be the day

we been waitin' for!
Ever thine,
The Editor.
P.S.: Uncle Dunk has always known nudity would draw a crowd, but that bull here fellor who climbed in that meat truck and started throwin' out sides of beef undudely had the greatest skin act yet! Dunk of how politicians can foul up things. McGovern and his associates Sen. Percy, Dole and Kennedy and the Senate Select Committee on Nutrition operate. This committee published a report advisin' people to eat less beef, and then McGovern himself announced he planned to investigate the cattle business to find out why it was in such dire financial straits! — Thassall, Brothel

ROOF COATINGS
Old roofs of composition shingles & old cedar shingles, can be extended many years. Anyone can apply by brush. M.A. BLACK is a mineral asphalt that dries in 30 minutes. Being thin, it penetrates the cracks and can, by itself, stop most leaks. Not a tar. T.M. WHITE is a white coating developed especially to be brushed over the old roof. Either may be used without the other. Best recommendation is that the M.A. BLACK be applied and then two coats of T.M. WHITE. This very permanent repair, at a cost of less than a new roof. The white surface contributes much to cooling in summer. This is our 25th yr. Write for our catalog. We ship same day order is received.

Cows & Ecology
Cows are nature's true power. They feed upon corn cobs, straw, wheat, newspaper to maintain low waste products and produce milk. In addition, cows are on ground unsuitable for other uses.
